LPSC Docket No. T-34006
BLF File No. 5996**

Dear Ms. Bordelon:

Please be advised of my representation of Stafford Transport of Louisiana, Inc. d/b/a CEI.

On behalf of my client, this is to advise that Stafford Transport of Louisiana, Inc. d/b/a CEI wishes to oppose the above-captioned application, notice of which was contained in the Commission's Official Bulletin Number 1111, dated March 25, 2016.

The interest of Stafford Transport of Louisiana, Inc. d/b/a CEI is in protecting its operating rights under which it is presently performing the service and no additional carriers are needed at this time. It is anticipated that several witnesses will appear on behalf of my client in this proceeding, and it is estimated that the time of its direct presentation in opposition to this application will be approximately one (1) hour.

I would appreciate your appropriately noting this opposition in the Commission's records of the captioned proceeding, and please send me all pertinent filings to date. Copies of this letter are being sent to applicant and its representative. Janet Boles should also be listed as counsel on the Official Service List in this docket.

Sincerely,

WILLIAM B. KIRTLAND
